Description of Approved Contract Change – Provide a brief description of contract change	Modification of language relating to Affected Employees' ability to carry-over unpaid leave time.

In accordance with Section 27.5 Amendments, and pursuant to the mutual agreement of the parties, this AGREEMENT is modified as follows:

Section 5.4 of the Schedule 8.1 is hereby modified as follows:

5.4 Payment of Leave

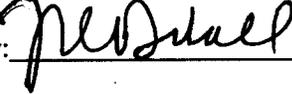

“Classified” Affected Employees accepting employment with the Vendor will be paid by VITA for any type of leave balances due them (e.g., annual leave, sick leave, compensatory leave, overtime leave) in accordance with Commonwealth policies and procedures. Vendor will reimburse VITA for such leave balances paid. Nothing in this Schedule prevents Vendor from offering New Vendor Employees advanced leave (e.g., additional vacation/paid time off) as an inducement to accept employment with the Vendor. As a partial alternative to the foregoing, Affected Employees accepting employment with Vendor may elect to transfer all of their accrued annual leave balances (up to the maximum payment amounts as set forth in Commonwealth policies and procedures) to their new positions with Vendor, in which case Vendor would be relieved of its obligation to reimburse VITA for such transferred accrued annual leave. Vendor shall honor all such transferred annual leave as pooled time off under Vendor’s employee leave policies.

All terms, conditions and provisions of the original Agreement, remain unchanged except as specifically noted herein.
