# 2013 Kids Safe Online Poster Contest

**MULTI-STATE**

Information Sharing & Analysis Center

- The **Multi-State Information Sharing and Analysis Center (MS-ISAC)** is once again conducting a national K-12 Computer Safety Poster Contest. The contest is designed to encourage young people to use the Internet safely and securely and to craft messages and images that will best resonate with their peers across the country.

## 2013 Kids Safe Online Poster Contest

- The contest is open to all students in public and private schools, and youth organizations in Kindergarten - 12th grades in the 50 United States, the District of Columbia, and the U.S. Territories.
- **VITA, the Virginia Information Technologies Agency**, will be coordinating the contest for all students in Virginia.

## 2013 Kids Safe Online Poster Contest

- VITA will select the 3 best posters from each of 3 age groups (K-5, 6-8 and 9-12).
- The students creating these posters will receive a certificate of appreciation.
- VITA will then submit the selected posters to MS-ISAC's national competition.

## 2013 Kids Safe Online Poster Contest

- 13 national winners will be selected by MS-ISAC and will receive the honor of having their artwork in the 2014 annual calendar which will be distributed throughout the country.
- The schools with winning entries will also receive several calendars and additional educational materials to promote cyber security within their school district.
