FY12 PSAP GRANT PROGRAM APPLICATION

HOW TO APPLY/DEADLINE

The grant application will be available and accessible from VITA's Integrated Services Program's website (<http://www.vita.virginia.gov/isp/>). Upon completion of the application, it is to be submitted to the PSAP Grant Manager, Lisa Nicholson, at lisa.nicholson@vita.virginia.gov. Any supporting documentation must also be submitted along with the application.

After submission, the PSAP Grant Manager will assign a Grant ID and send an e-mail notification to the project contact e-mail address listed on the application received.

All funding requests must be submitted using the grant application. In addition to the grant application reference manual, technical assistance is available from VITA's Public Safety Communications (PSC) staff throughout the grant process. The FY12 PSAP Grant Application Cycle deadline is December 22, 2010 at 11:59 pm.

Description Specs Images Reviews

This hex LCD desk stand provides a solid, free standing solution for mounting 6 monitors in horizontal rows of 3 over 3. Run multiple programs at once, monitor multiple workstations, or manage multiple computer systems with this hex LCD desk stand. Financial traders, multimedia editors, security monitors, and IT professionals will especially benefit from this multi monitor mount. This LCD desk stand comes in pre-assembled parts with all necessary hardware included so you can be set up and running in minutes.

The 28" H desk stand comes in black or silver with a heavy duty steel base for guaranteed stability. Each horizontal array supports three monitors up to 19" W and 13 lbs. Each monitor can be separately tilted up to 15 degrees up, down or sideways to fine-tune your view for height and glare considerations. Patented Centris™ technology provides smooth, fingertip tilt adjustments with an internal balance. The gravity-centered mechanism self-adjusts to securely hold different display weights. Order the optional quick release mechanism for easy mounting and dismounting of your monitors with the flip of a latch.

- Supports six monitors up to 19" and 13 lbs. each
- Patented fingertip tilt and pivot control up to 15 degrees each way
- 360 degree screen rotation
- Pre-assembled components for a fast installation
