

# Outline for ITIB 2006 RTIP Report

Version Date - 021606

## 1.0 RTIP Report

### 1.1 Introduction and Purpose

### 1.2 Projects Recommended for Funding

Commonwealth major IT projects recommended for funding, including:

- active major IT projects recommended for maintained funding; and
- new major IT projects approved for planning or development (development approval is contingent upon obtaining funding) and recommended for funding.

Detailed information about recommended projects can be found in Appendices A and B. Appendix C identifies the funding status of the projects recommended in the September 2005 RTIP Report.

### 1.3 Guide to Additional Commonwealth Project Portfolio Information

Additional Commonwealth project portfolio information can be found at [www.vita.virginia.gov](http://www.vita.virginia.gov) and includes: a listing of 2006 projects in preliminary planning (not yet ready for prioritization); a listing of 2006 Secretariat/Agency Project Portfolios by Approval Category; other 2006 major IT project portfolio views; a comprehensive listing of all 2006 major IT project descriptions; projects offering collaboration opportunities (by Lines of Business); projects for consideration as enterprise solutions; a description of the 2006 RTIP Report development process; ITIB project selection and ranking criteria; and, RTIP Report definitions.

### 1.4 Contact Information

If you have questions or comments about the RTIP Report, please contact Constance Scott at 371-5927, [constance.scott@vita.virginia.gov](mailto:constance.scott@vita.virginia.gov).

## 2.0 RTIP Report Appendices

**Appendix A - 2006 Projects Recommended for Funding:** Appendix A presents detailed information about active projects on the Commonwealth Major IT Project Status Report Dashboard recommended for continued funding (active projects are not ranked) and new major IT projects approved for planning or development (development approval is contingent upon funding) and recommended in order of priority for funding.

**Appendix B - 2006 Major IT Project Descriptions:** Appendix B presents the project description for each project recommended in the 2006 RTIP Report. The “Project ID” field can be used to associate the project to the description. Projects are listed in Project ID sequence.

**Appendix C - Funding Status of 2005 RTIP Recommended Projects:** Appendix C presents the funding status, as of July 1, 2006, for major IT projects recommended as priority technology investment projects in the September 2005 RTIP Report.
