Phase 1: Create and Prioritize List, Identify Workgroup(s), Draft Document

1. Develop & present BP topic list to RAC

2. Review, revise and prioritize the BP topic list

2A. Does a BP on the topic exist? Identify BP

4. Does a workgroup exist that can develop the best practice?

5. Identify SMEs for participation on appropriate workgroups

6. Organize new workgroup

3. Present existing documentation to the workgroup

7. Research and develop, gather, compile BP draft document

Best Practice Doc. Template

The RAC may also suggest topics for the BP list

This may happen periodically throughout

Bring additional topics to the RAC
