

VITA's Integrated Services Program (ISP) is excited to announce a statewide training event that will take place during the week of Dec. 12-15, 2017.

## Topic: The Underutilization of GIS and How To Cure It

Registration period: Nov. 1 – Dec. 1

Registration links and information can be found at: [www.vita.virginia.gov/ISP](http://www.vita.virginia.gov/ISP)

Or contact your regional coordinator.

*The training will be provided free of charge. Training is coordinated by ISP staff and provided by Esri. Tickets are required.*
