### COMPREHENSIVE PROJECT DESCRIPTION

**Describe how the education/training is 9-1-1/public safety communications specific and how this will benefit E-911 and the employee(s) and/or PSAP.**

The APCO and NENA conferences offer so much valuable information to those that have chosen a career in Public Safety Communications. Dispatchers get to take a break from the console and learn about what is new and upcoming affecting the way we receive our 911 calls to how we dispatch those calls.

### EVALUATION

**Describe the evaluation process that will be used to determine if participation in this education/training benefited the PSAP and/or supported E-911 and GIS.**

We were able for our entire staff (14 dispatchers) to attend either the spring or fall conference on day passes because of the grant. I would love to continue this practice, so they continue to learn about their chosen career path and meet others doing the same.
