VGIN Coordinator Report to the VGIN Advisory Board
January, 2013

VBMP Orthophotography RFP

The Virginia Base Mapping Program's Orthophotography contract for the 2013-2015 statewide acquisition has been signed. Sanborn Mapping was once again chosen as the selected bidder. Five proposals were received with three meeting project requirements and achieving final negotiation status. This successful approach has allowed us to ensure that cost is a factor in the RFP process but only after qualifications is considered. The process resulted in nearly a two-thirds base price reduction for the Commonwealth from the previous contract price.

A series of VBMP marketing meetings will jointly be held by Sanborn and VGIN. The schedules are:

Fairfax, VA

Wednesday, January 9th, 2013 10:00AM-12:00PM
Hilton Garden Inn
3950 Fair Ridge Drive, Fairfax, VA 22033

Fredericksburg, VA
