

# Commonwealth ITIM Standard

## What can ITIM do for my agency?

ITIM is a proven business investment methodology that will help you:

- **Align investments to business goals and objectives**
- **Identify and track spending on IT investments**
- **Control and monitor IT investment projects**
- **Confirm that IT investments are meeting business objectives**
- **Leverage IT investment opportunities that may generate internal capital**
- **Make informed decisions on an IT investment portfolio by assessing value and risk**
