

VITA is planning to upgrade from the November 2022 to the December 2022 release effective January 9, 2023.

## 1. New Feature: Filter Highlighting

When using a *predefined* filter on the **Work and Assignments** screen, you can now enable **row highlighting**:

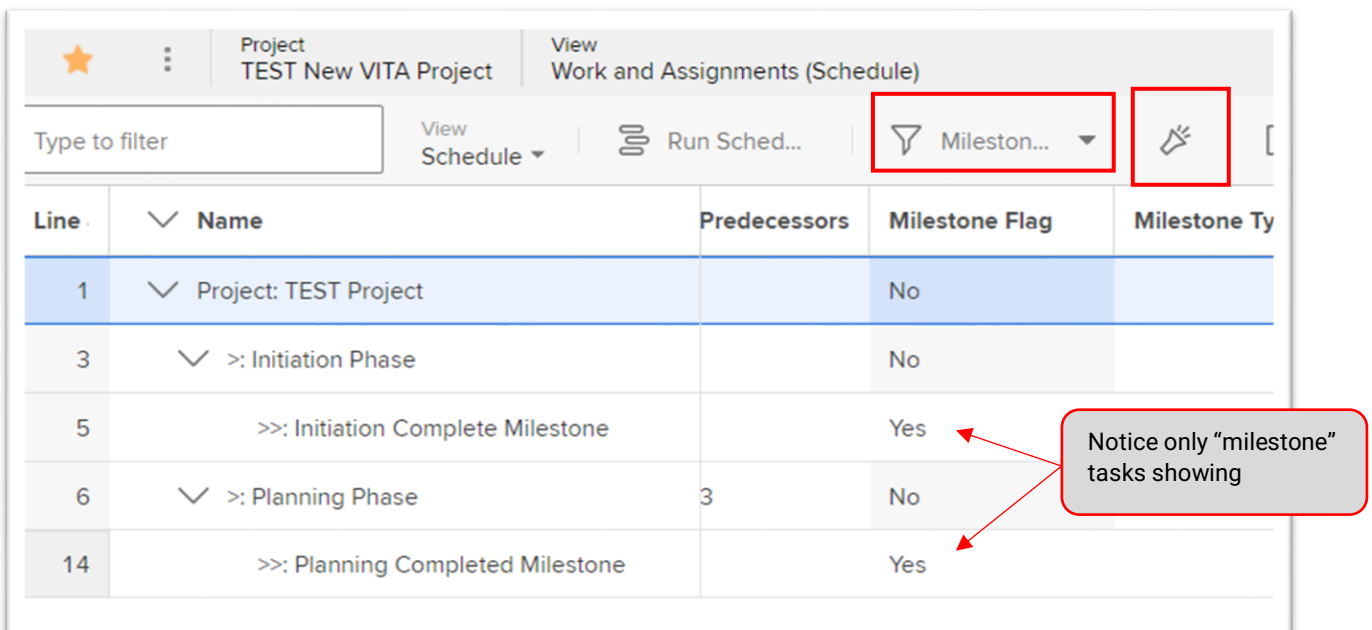

Line	Name	Predecessors	Milestone Flag	Milestone Type	Milestone Identifier	Show on Roadmap
1	Project: TEST Project		No			
2	>: Time - TEST Project		No			
3	>: Initiation Phase		No			

### Example

In the example below, the filter has been set to **Milestones**.

In this example, **Highlight filtered rows** is toggled off:

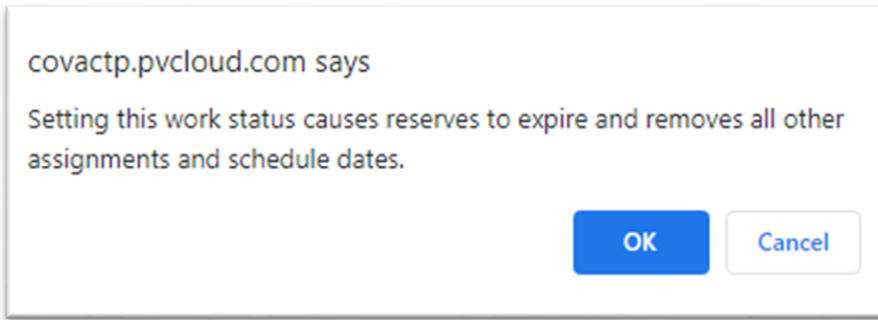

Line	Name	Predecessors	Milestone Flag	Milestone Ty
1	Project: TEST Project		No	
3	>: Initiation Phase		No	
5	>>: Initiation Complete Milestone		Yes	
6	>: Planning Phase	3	No	
14	>>: Planning Completed Milestone		Yes	

In this example, **Highlight filtered rows** is toggled on:

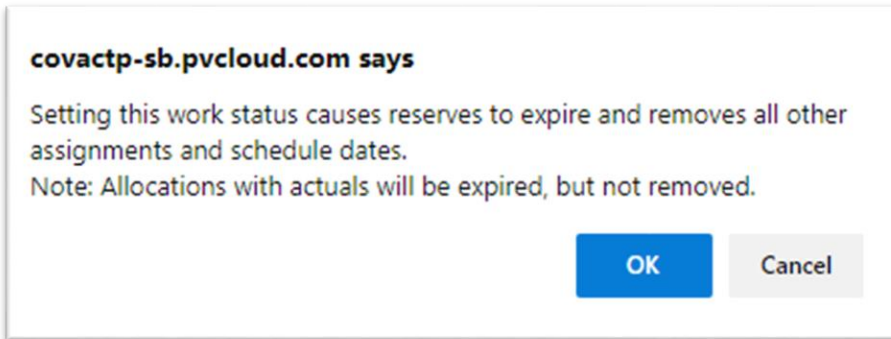

Project		View		
TEST New VITA Project		Work and Assignments (Schedule)		
Type to filter		View Schedule	Run Sched...	Milestone...
Line	Name	Predecessors	Milestone Flag	Milestone
1	Project: TEST Project		No	
2	>: Time - TEST Project		No	
3	>: Initiation Phase		No	
4	>>: Strategy & Charter		No	
5	>>: Initiation Complete Milestone		Yes	
6	>: Planning Phase	3	No	
7	>>: Procurement		No	
12	>>: Complete Work Detail		No	
13	>>: Approvals		No	
14	>>: Planning Completed Milestone		Yes	
15	>: Execution & Control Phase		No	
16	>>: Development		No	

All tasks are showing, but "milestone" tasks are highlighted.

November Message when marking work **Status** as "Completed"

New message when marking work **Status** as "Completed":

**Prior** to December 2022 release, no message is displayed when **Percent Complete** changed to **100%**:

New message, with December 2022 release, when **Percent Complete** for tasks or work is changed to **100%**:
