The Addendum 1 to Appendix 1 to Schedule 3.3 to the Comprehensive Infrastructure Agreement, Statement of Technical Approach, Asset Management, Paragraph 2 is hereby modified as follows:

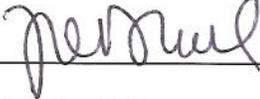

Northrop Grumman's desktop modernization program will establish a Project Service Center (PSC), a "virtual" warehouse environment that will facilitate the application of processes to provide consistency to support the refresh and uplift of the VITA's end-user computing devices with an Intel-based networked enterprise workstation. The PSC will process VITA-approved end-user workstations and function as the entry and exit point for all end-user computing devices. Northrop Grumman plans to establish the PSC in the area south of Richmond.

All terms, conditions and provisions of the original Agreement, remain unchanged except as specifically noted herein.
