VS

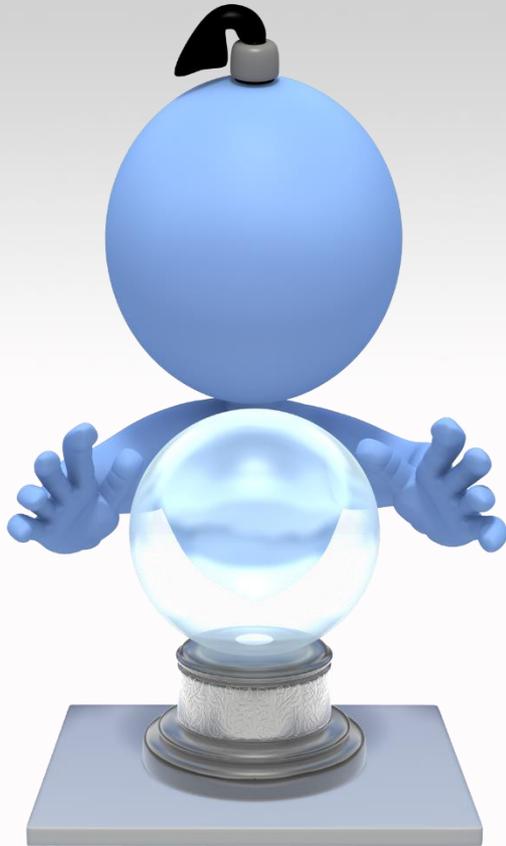

A day in the life...

Annnnd....

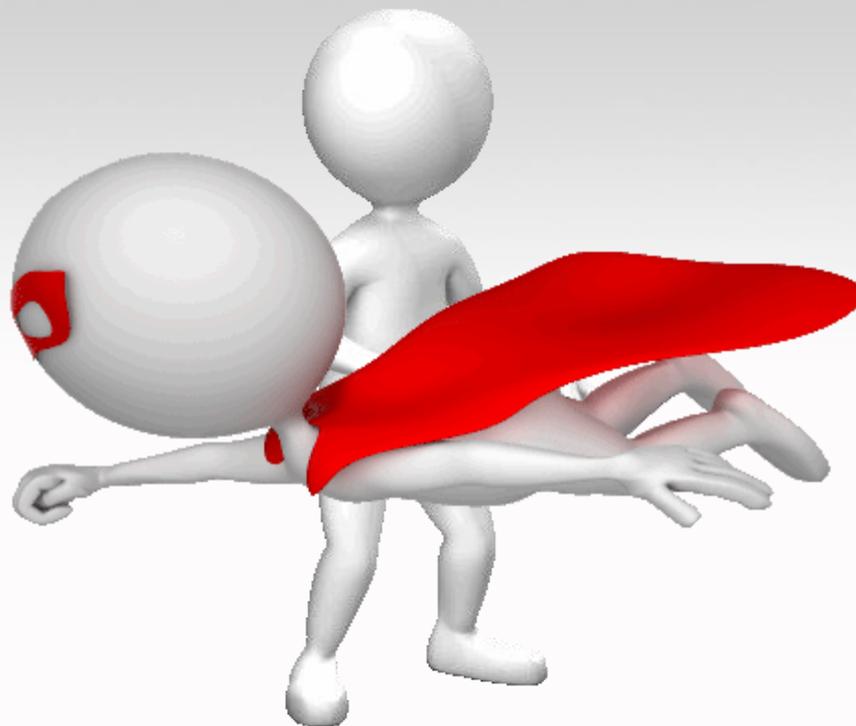

What if doesn't...

- Always behind the compliance curve
- Owning the “RFSC” Projects
- Never enough resources

Which leads to...

He Said. She Said. – It's not just a movie!

- **Information Security is the Lowest Priority.**
- **I can't get enough resources to do my job.**
- **Nobody is bought into what I am trying to do here.**
- **They just spout technical jargon at me.**
- **We just put money into the program. What now?**
- **Another day – Another Crisis**

Start With The Right Tools

- **Problem & Solutions**
- **Communication**
- **No Fear**
- **Executive Presence**
- **Right Data**

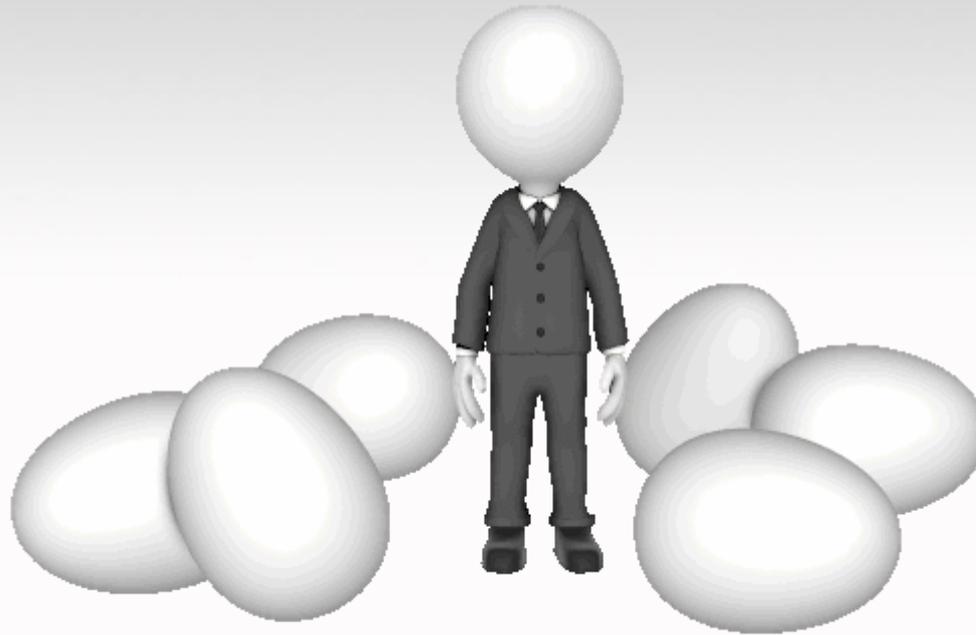

Budgets
