

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia, there is hereby officially recognized:

CYBER SECURITY AWARENESS MONTH

WHEREAS, Virginia recognizes the vital role that technology has in our daily lives and in the future of our Commonwealth; and

WHEREAS, citizens, schools, libraries, businesses, and other organizations use the Internet for a variety of tasks, including keeping in contact with family and friends, managing personal finances, performing research, enhancing education and conducting business; and

WHEREAS, critical sectors are increasingly reliant on information systems to support financial services, energy, telecommunications, transportation, utilities, health care, and emergency response systems; and

WHEREAS, the use of the Internet at the primary and secondary school levels in Virginia enhances the education of youth by providing them access to online educational and research materials; and

WHEREAS, utilizing information technology is integral to teaching and learning, research, outreach and service at institutions of higher education; and

WHEREAS, Internet users and Virginia's information infrastructure face an increasing threat of malicious cyber attack, loss of privacy from spyware and adware, and significant financial and personal privacy losses due to identity theft and fraud; and

WHEREAS, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role, and awareness of computer security essentials will improve the security of Virginia's information infrastructure and economy;

NOW, THEREFORE, I, Robert F. McDonnell, do hereby recognize October 2012 as **CYBER SECURITY AWARENESS MONTH** in our **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of all our citizens.

Governor

Secretary of the Commonwealth
